INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants' representatives conducted a telephone interview with the Examiner on February 23, 2011. During the telephone interview, Applicants' representatives explained that the references utilized in the rejection were deficient. Upon considering our arguments, the Examiner and the Examiner's Supervisor agreed that the pending claims overcome the current rejection and a new prior art search would have to be performed.

Respectfully submitted,

Jacques L. Etkowicz, Reg. No. 41,738
Attorney for Applicants
